

# Stanford FLAME AI Workshop

Future Learning Approaches for Modeling and Engineering

Dates: Sept 5 to 15 2023 | Venue: Virtual [<https://flame-ai-workshop.github.io/>]

Contact: [flame.ai.workshop@gmail.com](mailto:flame.ai.workshop@gmail.com)

Invited Speaker

## Prof. Steve Brunton

Professor, University of Washington

Ph.D. Mechanical and Aerospace Engineering, Princeton University

Machine Learning for Scientific Discovery, with Applications in Fluid Mechanics
